

# Professional eye care from start to finish

Choose Ferrier & MacKinnon Optometrists for the very highest standards in eye care. We provide a comprehensive eye examination, unhurried and properly explained to you. Tailoring your new spectacles to your lifestyle and budget is part of the service. Our experienced optometrists, dispensing opticians and support staff will ensure comprehensive care every step of the way.

Why not start now? Call us to arrange your free NHS eye examination today.
